

2008 Salmon Derby Pictures

Rich Johnston, FSO-VE, FSO-PV, explains the fine points of the VSC.

Vince DeBenedette, DSO-PV, conducts a Vessel Safety Check for fishing boat during [Discovery Bay Salmon Derby](#)

Bill Catelli, FSO-SR does a thorough visual check of this vessel

Sheriff boat towing a stranded fishing vessel to the dock

George Sipes, VFC, performs VSC while Barb Rickard is in training.

Dave Larkin moves throughout this larger vessel checking for required safety items.

Vessel checks can be done at dockside or in the parking lot.

Vince DeBenedette places 2009 safety decal

Even on the docks, children are safer when wearing a properly-fitted life jacket.
